### INNER CIRCLE FOSTER FAMILY AGENCY CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a review of Inner Circle Foster Family Agency (the FFA) in June 2015. The FFA has two licensed locations; one in the Third Supervisorial District; and another in the Fifth Supervisorial District. Both locations provide services to the County of Los Angeles DCFS placed children. According to the FFA's program statement, its mission is "to provide comprehensive community-based services to children & families for the purpose of preserving the family, preparing adolescents for emancipation, providing treatment foster care and strengthening the community."

At the time of the review, the FFA supervised 125 DCFS placed children in 74 certified foster homes. The placed children's average length of placement was five months and their average age was 10.

### SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the FFA; having been provided with good care and appropriate services, being comfortable in their environment and treated with respect and dignity. The certified foster parents reported they were supported by the FFA staff in their efforts to provide care, supervision and service delivery to the children placed in their homes.

The FFA was in full compliance with 10 of 11 sections of CAD's Contract Compliance Review: Certified Foster Homes; Facility and Environment; Maintenance of Required Documentation/Service Delivery; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

CAD noted deficiencies in the areas of Licensure/Contract Requirements, related to Community Care Licensing (CCL) citations.

Attached are the details of our review.

### **REVIEW OF REPORT**

On September 23, 2015, Theodore Howard, DCFS CAD, held an Exit Conference with FFA representative Sandro Villa, FFA Chief Executive Officer. DCFS staff included Adelina Arutyunyan, Out-of-Home Care Management Division.

The FFA representative was in agreement with the review findings and recommendations, was receptive to implementing systemic changes to improve their compliance with regulatory standards and agreed to address the noted deficiencies in a Corrective Action Plan (CAP).

A copy of this report has been sent to the Auditor-Controller and CCL.

The FFA provided the attached approved CAP addressing the recommendations noted in this report.

**INNER CIRCLE FOSTER FAMILY AGENCY  
CONTRACT COMPLIANCE REVIEW  
FISCAL YEAR 2014-2015**

**SCOPE OF REVIEW**

The following report is based on a "point in time" visit. This compliance report addresses findings noted during the June 2015 review. The purpose of this review was to assess Inner Circle Foster Family Agency's (the FFA's) compliance with the County contract and State regulations and included a review of the FFA's program statement, as well as administrative internal policies and procedures. The review covered the following 11 areas:

- Licensure/Contract Requirements,
- Certified Foster Homes,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Educational and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, 12 placed children were selected for the sample. The Contract Administration Division (CAD) interviewed all the sampled children. All case files were reviewed to assess the care and services the children received. Additionally, three discharged children's files were reviewed to assess the FFA's compliance with permanency efforts. At the time of the review, two children were prescribed psychotropic medication. Their case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and to confirm the required documentation of psychiatric monitoring.

CAD reviewed six Certified Foster Parents (CFPs) files and four staff files for compliance with Title 22 regulations and County contract requirements. Interviews were conducted with the CFPs to assess the quality of care and supervision provided to the children.

**CONTRACTUAL COMPLIANCE**

CAD found the following one area out of compliance.

**Licensure/Contract Requirements**

- Community Care Licensing (CCL) citation.

CCL cited the FFA as a result of deficiencies and findings on April 22, 2015. According to the report dated March 20, 2015, CCL substantiated a complaint against one CFP that allowed an individual convicted of a felony and on parole to live in her home. In January 2015, the FFA social worker conducted an unannounced visit to the home and found this individual in the home. The CFP denied the individual was living in her home and the FFA requested that the individual complete a criminal

background clearance. The FFA also required the CFP to sign a statement affirming that she would not allow individuals without appropriate fingerprint clearance around the placed foster children and that she would not allow the individual in question to have access to the placed children until the FFA confirmed his clearance results. The individual submitted his fingerprints for the clearance, but the FFA did not receive the clearances timely. The FFA social worker conducted unannounced visits to the home two or more times per month, but did not observe this person at the home. However, the FFA social worker found evidence that the individual was indeed living in the home and on March 20, 2015 the complaint was substantiated.

The FFA replaced the children in another certified home and placed this CFP on suspension. The FFA sent CCL a Notice of Decertification of this CFP on April 30, 2015. No further Plan of Correction was required. On May 8, 2015, Out-of-Home Care Investigations Section placed this home on an Indefinite Hold and determined that the CFP would no longer be used as a placement resource for DCFS supervised children.

**Recommendation:**

The FFA's management shall ensure that:

1. The FFA is in compliance with Title 22 regulations and free of CCL citations.

**PRIOR YEAR FOLLOW-UP FROM DCFS CAD'S FFA CONTRACT COMPLIANCE REVIEW**

The CAD's last compliance report dated, October 31, 2014, identified five recommendations.

**Results:**

Based on CAD's follow-up, the FFA implemented 5 of 5 previous recommendations for which they were to ensure that:

- The signature of the County Children's Social Worker is obtained within the specified time frame, or that clear documentation of all attempts is maintained in the children's files.
- Each of the Needs and Services Plans (NSPs) shall be signed by the child indicating their participation in the development and acceptance of the same, or that clear documentation regarding the impediment which prevents child's signature.
- Initial and Updated NSPs are comprehensive.
- All required signatures on NSP include the date when the document was signed.
- Employees complete all required training and documentation of the training is maintained.

At the Exit Conference, the FFA representative expressed their desire to remain in compliance with Title 22 regulations and contract requirements. CAD will continue to assess implementation of the recommendations during our next review. The Out-of-Home Care Management Division will provide ongoing support and technical assistance prior to the next review.

October 25<sup>th</sup>, 2015

Ted Howard

Children Services Administrator I

Department of Children and Family Services

Contracts Administration Division

Dear Mr. Howard,

The following is the Monitoring Review Corrective Action Plan following your program review for 2015.

1. Is the agency free of substantiated Community Care Licensing complaints' reports on safety and physical plant deficiencies since the last review?

Inner Circle Foster Family Agency, Inc. had one substantiated CCL report during the year 2015. One of the certified foster parents had an adult staying at her home without knowledge of the agency. Inner Circle immediately decertified the home, with cause.

Inner Circle Foster Family Agency Social Workers conduct weekly foster home visits; at least two visits per month are unannounced visits. The administrator of Inner Circle FFA with the assistant of supervisors will ensure that social workers routinely, but at least once per month, conduct a home inspection, verify through interviews of foster parents and children who the frequent visitors are, and ensure that all adult frequent visitors have been cleared by the agency prior to being in the home and in contact with children.

Inner Circle will continue to work towards improving service delivery and compliance with all entities involved in the care of children.

Respectfully,
